

Aggregated Sections Report

The Aggregated Sections report in X25's [Section Analytics](#) sums up the enrollment totals for all sections and groups them. It is similar to the [Aggregated Enrollment Report](#) but shows more detail in individual sections.

You can use this information to judge how full a given course load is.

Tip: Selecting Rows

Use the right-pointing arrow on the left-side of each row to open the row for additional information. You can then use the breadcrumb name above the table to return to the previous view.

Choose a value from the **Aggregated by** dropdown menu

- Subjects
- Departments
- Colleges
- Campuses
- Regions
- Institutions
- Instructors

Choose Columns

Depending on the value chosen for **Aggregate by**, a combination of the following columns will be available to add or remove. Use the up and down arrow icons to sort by a chosen column.

- **Institution Code:** If a term code has multiple institution codes, they are separated in this display
- **Region Code**
- **Campus Code**
- **College Code**
- **Department Code**
- **Total Sections**
- **Aggregated RHC:** The total registered headcount of all sections in the group
- **Subject Code:** Appears in the section's name when imported to 25Live
- **Course Number:** Appears in the section's name when imported to 25Live
- **Section Number:** The number or code which identifies the section as part of the course
- **CRN:** The course record number or unique identifier of the section in your SIS
- **EHC:** Expected student headcount for the section
- **RHC:** Registered student headcount for the section
- **Fill Rate(%):** The ratio of registered students to expected ones (i.e., how "full" is the section)
- **First Name:** Instructor first name
- **Last Name:** Instructor last name

When a row is selected, the following details appear on the right:

- **Subject Code:** Appears in the section's name when imported to 25Live
- **Course Number:** Appears in the section's name when imported to 25Live
- **Section Number:** The number or code which identifies the section as part of the course. Appears in the section's name when imported to 25Live
- **CRN:** The course record number or unique identifier of the section in your SIS
- **EHC:** Expected headcount for the section
- **RHC:** Registered headcount for the section
- **Fill Rate(%):** The ratio of registered students to expected ones (i.e., how "full" is the section)
