

About 25Live Reports

25Live Reports

The screenshot displays the 25Live Reports web interface. At the top, there is a navigation bar with the 25Live logo and links for '25Live Reports', 'Reports Admin', 'Tips', 'Administrator', and 'More'. Below the navigation bar is a search field for report names. The main content area is divided into a sidebar on the left and a main panel on the right. The sidebar lists report categories: 'Your Starred Reports' (with a list of 8 reports), 'Event Reports', 'Location Reports', 'Resource Reports', and 'Other Reports'. The main panel shows the configuration for the 'Academic Term Summary' report, including 'Format Option - Required' and 'Delivery Option - Required' dropdowns, 'Report Parameters' for 'Event Search - Required' and 'Group By' (set to 'Organization'), and a 'Run Report' button.

Rich Information and Analytics In a Variety of Formats

The same robust reports functionality that has always been included in 25Live is now its own convenient tool for quick access. 25Live Reports are designed with a clear, direct presentation style that supports your administrators and users in gathering data, managing facilities, and meeting the needs of customers. Both administrators and end-users can easily generate ad hoc reports, save reports for future use, and mark the reports they use most as favorites.
