

## Accessing X25 Analytics

X25 Analytics uses the same credentials as 25Live.

### Security Note

An administrator must set these permissions for a group to use X25 Analytics in [Series25 Group Administration](#):

**Tool Access:** 3.0 *Access to X25 Analytics* OR **Tool Access:** 3.1 *Admin Access to X25 Analytics*

## To Access and Open X25 Analytics

1. Sign in to 25Live using your administrator credentials.
2. Select *X25 Analytics* from the "Go To Tool" section of the More menu.

The screenshot shows the top navigation bar of the 25Live application. It includes links for '25Live', 'Event Form', 'Tasks', and the user name 'Jane Smith'. A 'More' button, represented by a hamburger menu icon, is highlighted with a red rectangle. Below the navigation bar, the 'More' dropdown menu is open, showing a list of tools. The 'Go to Tool' section is expanded, and 'X25 Analytics' is highlighted with a red rectangle. Other tools listed include 'Group Administration', 'Data Import Tool', 'LYNX', '25Live Reports', 'Outlook Sync Administration', and 'Schedule25® Optimizer'. The 'About' section is also visible at the bottom of the dropdown.
