Portland Class - Functional Administrator Boot Camp

Last Modified on 05/19/2022 2:36 pm PDT

Description

Develop the skill set needed for maintaining a 25Live environment as a Functional Administrator. Learn the foundations of security, user management, day-to-day workflow, creating user training workshops, and many other topics related to 25Live administration. This course includes and encourages participation. New Functional Administrators can expect to leave this class with a clear expectation of their duties as well as a plan for training local users.

Intended Audience

Current and Future 25live Functional Administrators

Schedule

Provided over two (2) consecutive days, 8:30 a.m.-4:30 p.m.

Prerequisites

- Current 25live license *(at least partially implemented)*.

- Administrator Access to Series25 Tools

Fee

Please contact your account manager for pricing information.
