Control Spuds

Control Spuds are used with the calendar view spud to alter the current state of the calendar view spud giving your calendar's visitors some control over what they are viewing.

Spud	Description	Image
Calendar List	This control allows the user to select which calendars to view in a mixed-in calendar.	 A preview of the 'Calendar List' control. It shows a title 'PREVIEW FOR CALENDAR LIST' and a width of 185 pixels. Below the title, there is a section 'Calendars' with four checkboxes: 'Winter Publisher Events Calendar' (checked), 'Academic Calendar' (checked), 'Arts Events Calendar' (checked), and 'Camps, Clinics, and Fairs' (checked). At the bottom, there is a 'Select: All, None' option.
Filter	This control provides a filter for users to apply to find events that interest them. Each filter is composed of between one (1) and five (5) individual filter fields.	 A preview of the 'Filter' control. It shows a title 'PREVIEW FOR FILTER' and a width of 185 pixels. Below the title, there are two sections: 'Location' with a dropdown menu showing '[All Values]' and 'Organization' with a dropdown menu showing '[All Values]'.
Go to Date	This control allows the user to go to a date that the user enters.	 A preview of the 'Go to Date' control. It shows a title 'PREVIEW FOR GO TO DATE' and a width of 185 pixels. Below the title, there is a 'Go To Date' section with a text input field and a 'Go' button.
Month List	This control displays a list of months with events. Selecting a month displays the month's events in the main calendar spud. Months without events are typically grayed out using color settings to indicate that there are no events during that month. This control is normally positioned above the calendar view.	 A preview of the 'Month List' control. It shows a title 'PREVIEW FOR MONTH LIST' and a width of 450 pixels. Below the title, there is a horizontal list of months from FEB to DEC. The months are color-coded: FEB, MAR, APR, MAY, JUN, JUL, AUG, SEP, OCT, NOV, and DEC are all grayed out.
Search	This control provides a search box for searching for content by keyword.	 A preview of the 'Search' control. It shows a title 'PREVIEW FOR SEARCH' and a width of 185 pixels. Below the title, there is a 'Search' section with a text input field containing 'Enter a keyword' and a 'Go' button.
Timezone Picker	This control allows the user to change the timezone in which events are displayed.	 A preview of the 'Timezone Picker' control. It shows a title 'PREVIEW FOR TIMEZONE PICKER' and a width of 450 pixels. Below the title, there is a 'Select Your Timezone:' section with a dropdown menu showing 'GMT-07:00 Eastern Time (U.S. & Canada)'.
View Chooser	This control allows the user to select the current calendar view. The control presents the available calendar views in a drop-down list.	 A preview of the 'View Chooser' control. It shows a title 'PREVIEW FOR VIEW CHOOSER' and a width of 185 pixels. Below the title, there is a 'View' section with a dropdown menu showing 'Tile View'.

Spud	Description	Image
View Chooser Tabbed	This control allows the user to select the current calendar view. The control is presented as a series of tabs and normally will be positioned above the calendar view.	

Promotion Spuds

Promotion Spuds serve a useful role of providing a method for you to emphasize and make more prominent your featured events. Promotion spuds may be designed to only display events with certain featured levels or display featured events as well as non-featured events. Most of these spuds are meant to reside on a page separated from the main calendar spud they are associated with and most are designed to fit in smaller regions.

Spud	Description	Default Fields	Image
