

07/28/2022 – Series25 Group Administration

Last Modified on 07/28/2022 4:03 pm PDT

- New security setting in place for X25 admin access. **Configure...** > **Settings** > Tools Access: 3.1 *Administrative Access to X25 Analytics*
 - New increase in the number of events that can be edited at once when making [security changes](#)
 - *Additional fixes and improvements*
 - Fixed issue where occasionally the username, password, and security group information would not be recorded when saving details for a new user
 - Users are now able to save assignment policy changes for more than 40 groups
 - Accessibility improvements to...
 - Color contrast on date picker tools
 - Text in dropdown menus and forms that can be read by screenreaders
 - Filter criteria that previously couldn't be cleared with keyboard controls
-
