COMMENTS: Your written comments are especially helpful. The comments you make are completely ANONYMOUS and will be returned to the instructor only after final grades for this course have been recorded.

Overall, the moment(s) in this course when I was most engaged, excited, and involved as a learner included...	was during lectures, and the readings, very interesting. the films showed in class were also very intriguing.
Overall, the moment(s) in this course when I was most distanced, disengaged, and uninvolved as learner included...	no specific time.
Please add any additional suggestions for improvement and/or compliments that you have about the instructor or the course.	Great class.
