

11/06/2025 – Series25 Group Administration

- Added an option to "Remove Password" from a user, and made it possible to [create a user](#) without a password required. Users without a password will not be able to log into Series25 applications (requested via [Feature Upvote](#) -- [Learn more about joining and participating](#))
 - Improved accessibility and usability when accessing the "[Configure...](#)" menu via keyboard
-
