

07/09/2026 – 25Live Reports

Feature Upvote Works!

Many of the issues in each release are based on your customer requests on the Series25 Feature Upvote site. Go to a Series25 application, log in, then navigate from the **Product Feedback** link in the **More** menu. You will be automatically authenticated.

[Learn About Using Series25 Feature Upvote Customer Feedback Boards](#)

- [Scheduled reports](#) can now use a monthly repeat pattern, with options to repeat by day of the month or by position
 - A new "Excel (xlsx)" output format option is available when creating [reports](#) in Report Admin and should be the new default chosen for sending to Excel
-
